Background Picture and Website Colors

Update: Adjust the website's color scheme to better reflect Heart of the City Development Center's branding.

- Incorporate more purple and reduce the amount of blue without removing blue completely.
- Blend the colors to create a welcoming, professional, and inclusive appearance.
- Ensure the overall design appeals to both children and adults.
- Maintain a consistent color scheme throughout the website.

Mission Statement

Replace the current mission statement with the following and display it in bold lettering, similar to the original website:

"At Heart of the City Development Center, we believe everyone deserves a place to belong. Through inclusive education, advocacy, life-skills development, and family-centered support, we empower children and adults of all abilities to reach their full potential."

Website Navigation Tabs

Keep: Maintain the current navigation tab locations and overall layout.

Please incorporate the updated tabs in the same style as the navigation tabs previously added at the bottom of the website.

Overall Website Design Expectations

The goal of these updates is to ensure the Heart of the City Development Center website accurately reflects our expanded mission, programs, and commitment to serving individuals and families of all ages and abilities.

The updated website should:

- Maintain the current website's overall layout and navigation structure.
- Reflect our branding through a balanced use of purple, red, and blue.
- Highlight our four core values: **Learn, Grow, Engage, and Heal.**
- Clearly distinguish Adult Programming from Youth and Family Programming.
- Feature diverse, inclusive images representing children, adults, individuals with disabilities, and families.
- Provide a welcoming, professional, accessible, and family-centered experience for all visitors.

Our goal is to create a website that communicates who we are, whom we serve, and our commitment to providing inclusive opportunities for individuals and families to learn, grow, engage, and heal.
